

Bones, Bones and More Bones

presented by

Robert Schwartz, MD, Sierra Orthopedics

Thursday, March 12th at 6 pm

Eastern New Mexico Medical Center Mesquite Room

All middle school and high school students are welcome to join us to learn about the field of Orthopedics. "Bones, Bones and More Bones" will provide the participants with an overview of the skeletal system, the structure of healthy bones and what happens when you break a bone. The participants will also have the opportunity to apply and remove a cast on each other.

Registration at the door.

For more information please contact Brooke Linthicum at 624-8746 or Dawn Hunt at 624-8759.
